Prompt Settlement.

The policy for \$300 on J. F. Webb's household effects which was destroyed by fire and which was written by our local agent, A. T. Whitt has been settled in full. L. B. Manson state agent and adjustor for the Aetna Fire Insurance was here Tuesday from Louisville and paid Mr. Webb over the cash in full the amount of the policy. This manner of settlement is quite out of the ordinary, as usually the insurance companies keep the insured out of their money after a fire about as long as possible, or else get a discount off, but in this case it was different, no time was asked nor any discount requested. The cash was ready coming which speaks well for both Mr. Whitt the agent, and company which is the largest fire insurance company in the United States.

Aderson-Forkner.

Mr. Grover Anderson, of North Bend, and Miss Elva Forkner, daughter of Lloyd Forkner, were married at the residence of the bride's father at Stanton Tuesday, February 27th, at 3:30 o'clock p. m. in the presence of a number of guests, Rev. R. A. Ir-

vin officiating. The young couple left on the West bound train for a short bridal trip to Lexington, and returned Wednesday afternoon to be entertained at the groom's home.

Death of Mrs. Clark.

Mrs. Margaret Clark, wife of J. F. Clark, died at her home in this county last Thursday morning, after a lingering illness of cancer of the stomach. The remains were interred in Macedonia graveyard, brief services at the grave by Rev. J. R. Hobbs. Deceased was 64 years old and an excellent woman. We extend sympathy.—Mt. Sterling Gazette.

Judge Riddell Vacates the Bench.

Circuit Judge Riddell Tuesday decided to vacate the bench at Jackson in the case of James Hargis, Ed Callahan and others

charged with the murder of J. B. Marcum. The defendants were ordered into custody of the Jail—a special Judge to try the case and the vacancy on the bench will be certified to Gov. Beckham for the appointment of a special Judge to try the cases.

SPOUT SPRING.

Several from here attended court at Winchester Monday and transacted business.

W. E. Heflin was in Montgomery county Thursday and bought a mule for \$85.00.

Tommy Christopher sold a good combined horse on the Winchester Court market Monday for \$125 00.

George W. Lewis, formerly of this place, has moved from Montgomery county to his farm near Pilot View, in Clark County.

News reached here yesterday of the death of Rev. Van B. Daughetee at his home in Clark county the day before. He is a brother-in-law to W. J. Christopher, Sr., of this place, and has other relatives in the county. He will be buried today at Dunaway's Chapel, in Clark county.

Bro. Daughetee is a well-known Methodist minister and has preached much in this community in past years.

Marion McKinney has moved here from Lexington. He occupies the Burgher property vacated some weeks since by Dr. C. H. Williams who is now located at Catlettsburg and enjoying a good practice, having succeeded in the practice of his brother, a physician, who died in Catlettsburg some time last fall.

Presidential Possibilities.

It's getting along about that time of the political calendar when Presidential possibilities are talked about, so I am going to get in line and have my say. If my good fellow Democrats throughout this country were in touch with matters political as closely as I am, I could make an accurate prediction as to our next nominee. The Democratic party is in the hands of a lot of political pirates, and our first effort must be directed to saving the party from these Wall street cut-throats, whose sole object is to rob the people and enrich themselves at the expense of our National party. It's high time to wake up and pave the way for the nomination of an honest Democrat, to lead us to victory at the polls. That kind can't be found in New York, nor anywhere else where Ryan and Belmont have control of things. We have a winner in our party, one whom we know to possess all those qualifications to be desired in a champion of the people. That's Senator Charles A. Culberson of Texas. Lets all get busy lining up for him, and show our Republican friends at the next election what the Democrat can do with a real man at the head of their National ticket. With his name there we will win.

With the Republicans, its different. Nobody can tell what the trusts and corporations are going to do until they do it. But from present indications, it looks as though the man on the inside track for the Republican nomination is Senator Foraker, who is rapidly forging into publicity by his attitude on the railroad rate bill and statehood fight. This is just a guess. Its too soon to say. C. A. E.

Alice is Married.

Well, Alice got married last Saturday. There was a whole lot of noise about the affair too. Her wedding outfit cost \$11,400.00; yet many girls whose outfit does not exceed \$11.40 is of more worth to the world figured on a basis of "the good they can do." The White House bride and her lord spent three days at a country home near Washington, then slipped across the country in an automobile and took the train at a country station for Tampa, Fla., where they sailed for Cuba to spend the remainder of their honeymoon. Presents to the value of a million dollars showered in on the couple, likely most of them given for ostentation or hope of some office or other emolument. How ridiculous the whole affair!—Miami (Texas) Chief.

Married—Roosevelt-Longworth At the White House, February 17, 1906, Alice Lee Roosevelt, daughter of the President, to Nicholas Longworth of Ohio, Bishop Satterlee officiating, Oyster Bay and Cincinnati papers please copy.

Washington could play a strong card in promoting marriage, if the President would just turn over the East room to all wedding parties.

Gov. Johnson of Minn. says, any man ought to be able to live on \$10,000 a year. We are willing to try for a while.

The divorce Congress is said to favor ten causes for divorce. One is enough in most instances.

"Wealth is full of perils" says Dr. Josiah Strong. Ready to face 'em!

The State Farmers' Institute opened at Frankfort Tuesday with about seventy counties represented.

To my Patrons in Powell County. After March I will spend one-half of my time at other towns out of this county, so those having work partially finished, those who have made appointments, and to any one who wants high grade work which has proved its worth, please have it attended to at once, as after that date, I will work by previous appointment altogether, and set days to do the work.

BEAUTIFY YOUR HOME WITH Kinloch PAINT
READY TO MIX NOT READY MIXED

Important Memorandum—The painter is the most important factor in painting. A job completed by a good painter with the best quality of paint, costing only \$10.00 (500 lbs. tubs, \$25.00 pails) will last five years. The same paint applied by a dabbler (\$100.00 tubs, \$25.00 pails) will last only one year. Then the "per-paint" of the good painter's job is \$12.50—the poor painter's \$100.00.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint—buy only

Kinloch HOUSE PAINT

There's one indisputable reason why, a reason every honest painter will acknowledge—"The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend its use for every good reason we know.

LOCAL BREVITIES.

Quite a number from here attended court at Winchester Monday.

Cashier A. T. Whitt was in Lexington Thursday on a business mission.

Mrs. E. B. McGlone returned Monday from a visit to relatives at Morehead.

When in need of Hay, Ear Corn, Crushed Corn, Chop, Mill Feed, etc. Call up Geo. Anderson.

J. M. Welch, of Rosslyn, was in the city Saturday on business, and incidentally called on the TIMES.

The editor is always glad to receive local items of interest. Don't be timid or neglectful about handing them in.

W. D. Crow, of Bowen, was in the city Saturday and called to see the editor and renewed his subscription to the TIMES.

For all kinds of talking machines, see G. M. Cox, North Broadway Lexington. No lower prices, best machines. All kinds of records.

Joe W. Tipton, by posters, is advertising a splendid farm for sale, also a good dwelling in Clay City. See the bills or Mr. Tipton for further information.

The ground hog has been getting in his work this week, Monday night a six-inch snow fell, and Tuesday night was cold, the thermometer going down close to zero.

Misses Carrie Hoskin and Maud Fletcher visited their uncle's, D. W. Barrow and J. B. Hoskins, in Clark and Montgomery counties, and while there attended the Huls-Haggard wedding.

D. R. Mountz is having considerable trouble with one of his eyes, the sight of which has become seriously impaired. He is under the treatment of specialist, who thinks the trouble can be removed.

We will advance the price on Calico to 6 cents a yard on the first day of February next.

Mrs. J. W. Williams, Clay City, Ky.

The little child of Colman Portwood was very severely burned Tuesday morning about the back of the head and right side. Its clothing took fire from an open grate. Dr. Smith thinks the child will recover if no further trouble arises.

Geo. W. Clark sold at Winchester Monday a Powell county combined horse for \$175 00. This shows what our farmers can do when they try. There is good money here or any where in raising horses and disposing of them at \$175 00. This is a pointer for our rural friends.

TO CURE A COLD IN ONE DAY
Take LAXATIVE BROMO Quinine Tablets, Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

The Jr. O. U. A. M. had a gala day in this city last Thursday. They formed a march and paraded the streets, and then repaired

to the public school building where State Councilor R. D. Harding delivered a fine address on the benevolence and protection to be gained by the members of the order. The Juniors have a strong lodge here and it is fast growing in membership.

Any one desiring to purchase a graphophone of any make or style, or records for either disc or cylinder machines at standard prices, should call on G. M. Cox, prop'r Lexington Cycle Works, 141 North Broadway, next to Opera House. 10 inch Victor or Columbia disc records 80 cents. Standard size Cylinder records, 25 cents. Machines repaired and parts supplied.

The writer has just received a shipment by freight from Bridgeport, Conn. which has been on the road since September 26th. Conditions prevented our getting the goods we have just received closer to home, and we are the loser thereby for article we purchased at the time the shipment was made and then worth \$1 00, went down to 40 cents long before the goods arrived. The goods were paid for in advance, so we have been out the use of our money all this while and lost 40 cents to the dollar on part of our order. The moral seems to be buy of home merchants. We always do buy at home, but in this case, we had to break from our rule because the goods we ordered are not kept in the smaller cities.

Frightfully Burned.

Chas. W. Moore, a machinist, of Ford City, Pa., had his hand frightfully burnen in an electrical furnace. He applied Bucklen's Arnica Salve with the usual result; "a quick and perfect cure." Greatest healer on earth for Burns, Wounds, Sores, Eczema and Piles. 25c at Swann-Day Lumber Co's store.

Death of Rev. V. B. Daughetee.

Rev. V. B. Daughetee died at his home at Allensville, Clark county, Tuesday the 27th of paralysis of the bowels aged 73 years. Deceased has been a minister of the Methodist church for a number of years, and his labors have always been successful. He has numerous friends in this county where he formerly lived and preached.

The Yellow Fever Germ

has recently been discovered. It bears a close resemblance to the malaria germ. To free the system from disease germs, the most effective remedy is Dr. King's New Life Pills. Guaranteed to cure all diseases due to malaria poison and constipation. 25c. at Swann-Day Lumber Co's store.

Effect of Cold Snap.

The effect of the cold snap was felt throughout the State. There was a heavy snowfall and in some places much damage was done by the storm. Fears are entertained for the safety of the fruit crops.

If You ARE A Democrat

Or if You are not You will want to read

Bryan's Commoner.

ON MARCH 17 The Commoner announced the Primary Pledge organization plan. This plan provides for Democrats to sign a pledge, binding themselves to attend all primaries of their party between now and the national campaign of 1908. It is a practical method for the organization of the party by the rank and file, in order that it may prove true to its name and be the efficient servant of the people in the establishment of reform. A little investigation will convince you that the Commoner has hit upon a feasible and effective method of persuading Democrats to participate in the councils of their party.

These pledges are pouring into the Commoner office by the thousands, where they are carefully filed by state, county and voting precinct.

If the same interest manifested in this work during the past four months is maintained during the next two years, the total membership will exceed four million Democratic voters.

The Commoner is issued weekly, subscription \$1 a year. By special arrangements, for a short time only, we offer the Clay City Times and The Commoner for \$1 10.
